MEDIA KIT

The Media Revolution

By the People for the People

- MyFreePress is the media portal of the future, reported by the people for the people. Everyday more and more people are loosing faith in the main stream media. Each month, we take the top voted articles from our on-line blog and they go into our “print” publication. We are dedicated to helping American Citizens exercise their 1st Amendment rights. We do not discriminate against opinions and feel everyone’s opinion is valuable. With our vast knowledge of social networking, technology, web development and publishing, we will make sure your message is seen.

Our Reach & Audience

- Reach a target audience that is waiting for your message and ready to act on it. MyFreePress.net receives over 2,000 hits a day and is rapidly growing.
